"Let us always meet each other with a smile, for the smile is the beginning of love." Mother Teresa

"I refuse to accept the view that mankind is so tragically bound to the starless midnight of racism and war that the bright daybreak of peace and brotherhood can never become a reality. . . I believe that unarmed truth and unconditional love will have the final word." MLK

"Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, those ripples build a current that can sweep down the mightiest walls of oppression and resistance." JFK

"If civilization is to survive, we must cultivate the science of human relationships - the ability of all peoples, of all kinds, to live together, in the same world at peace." FDR

What Chamber opened in 1938 as a segregated high school that symbolized the resistance of the growing African American population of North Carolina.

CULINARY CLASSROOM

A 3D architectural rendering of a health sciences classroom and lab area. The classroom on the left is filled with blue chairs and has a whiteboard. The lab area in the center has white lab benches and orange stools. A health office is in the top left, and health storage is in the top right. The rendering is shown from a top-down perspective with shadows cast across the floor.

West Charlotte High School VIRTUAL Information Update Meeting ●

2017 Bond Program

Welcome to the CMS 2017 Bond Program site. This site is an online resource for contractors, parents, and others who are interested in Charlotte-Mecklenburg Schools' renovation and new school construction bond projects.

This site is designed to keep you abreast of what's going on, who's doing it and when. We've geared several pages to the specific needs of contractors while others provide detailed information about the progress being made on the schools
